## EDUCATION

**The Government Engineering College Gandhinagar**     2021 - 2025
- Computer Engineering | CGPA: **7.89/10**     (expected)

**Shakti Higher Secondary School, Rajkot**     2020 - 2021
- *GSEB HSC (Class XII) |* percentage: **87.8 %**

**Podar International School, Rajkot**     2018 - 2019
- *CBSE SSC (Class X) |* percentage: **89.8%**

## EXPERIENCE

**Web Development Intern at Croma Technolabs (June – Ongoing, 2024)**
• Acquired hands-on expertise in the MERN stack (MongoDB, Express.js, React.js, Node.js), developing scalable and responsive web applications. Focused on building user-friendly interfaces and improving backend performance.
• Collaborated on team-based projects to enhance application functionality, contributing to code optimization and debugging processes. Recognized for problem-solving skills and dedication throughout the internship.

## SKILLS

- **Programming Languages:** JavaScript, C,
- **Web Development:** HTML, CSS (tailwind), Node.js, React.js
- **Database**: SQL / MongoDB (Database Design, Querying, and Management)
- **Version Control:** Git, GitHub
- **Technical Skills:** OOP, Data Structures and Problem Solving

## PROJECTS

### Real–Time Chat
• Developed a real-time chat application with JWT-based authentication, allowing users to manage profiles, send friend requests, and connect with friends.
• Integrated real-time messaging and file transfer features for seamless communication between users.

### Podcast Streaming
• Created a podcast streaming platform with role-based access for users, creators, and admins. Implemented JWT authentication for secure user management.
• Enabled creators and admins to upload podcasts, manage profiles, and access the admin dashboard for content control.

### Real Estate Website
• Developed a responsive real estate website, focusing on intuitive design and user-friendly navigation for property listings and details.
• Utilized React.js and Node.js for frontend and backend development, ensuring a seamless user experience.

## CERTIFICATION

- React, Node.js, Express & MongoDB – The MERN Stack Guide | Udemy | FEBRUARY 2024
- The Complete 2023 Web Development Bootcamp | Udemy | JANUARY 2024
- Hackathon Participation Certificate | Odoo Combat Coding Hackathon | JULY 2024

## LANGUAGES

- English | Hindi | Gujarati
